Student Information Sheet

Charles Weston School - Coombs is keen to provide the best possible learning environment for every student. We believe that education works best when families, schools and the community work together. We appreciate that each child is a complex, special individual and that parents (caregivers) have an intimate understanding of their children.

By providing the information requested on this questionnaire you will greatly assist your child's teacher to get to know your child and to cater for his/her individual needs at school.
