

Education in our school for our world

Child Information Form

Dear Families,

Our preschool follows the National Early Years Learning Framework (EYLF) which is a set of guidelines and outcomes for planning and implementing teaching and learning programs for children aged 0-5 years. To support the transition to preschool, information from families helps us to plan a program that will cater for your child and provide experiences that your child will enjoy. We would appreciate you sharing information with us regarding your child. Please complete the following and return it to your preschool interview. All information is strictly confidential.

Child's Name: _____

Date of Birth: _____

Child's History

Have there been any challenges identified by doctors or health clinics? (e.g. birth trauma or difficulties, premature birth, delayed physical or language development)

Has your child received any organisational/external support? (e.g. speech pathology, physiotherapy, occupational therapy)

Does your child have any medical conditions, allergies or special dietary requirements? If yes please include details.

Has your child attended childcare, play group or preschool?

Does your child toilet themselves?

Does your child dress themselves?

Does your child prefer to use their left or right hand?

How does your child interact with friends?

How does your child approach problems?

Education in our school for our world

Belonging – “Experiencing belonging – knowing where and with whom you belong is integral to human existence.

Who is in your family?

What other social groups does your child belong to? (e.g. swimming, sporting groups, music)

What is your family’s cultural background? Are there any customs and traditions that you celebrate?

Being – “Being recognises the significance of the here and now in children’s lives.”

What are your child’s strengths and interests?

What does your child find challenging?

Becoming – “Becoming reflects the process of rapid and significant change that occurs in the early years as young children learn and grow.”

What are your expectations for your child’s preschool year?

What is important to you when you think about how your child will learn and grow during their time at preschool?
